Softlink Blog: To supercharge student success: start with a great school library
Collaboration:
Overview of feedback from surveys
Lilas Moniniot – Tweed Valley, NSW
In this series of three videos, Lilas talks about information literacy, collaboration and encouraging students to visit their library.

Jim Gallagher – Sydney, NSW
In this video, Jim shares the practices his school has implemented to encourage students into a brand new library, and the ways different age groups interact with the space/services.

Laurel Ball – Gold Coast, QLD
In this video, Laurel describes how she uses collaboration and improved access to resources to address the challenge of information literacy.

Ros Kingsford – Northern Rivers, NSW
In this video, Ros describes how she and her colleagues use the library to assist with student creativity and well-being to support learning.
Collaboration:
Challenges (& overcoming them)
SAME SAME
BUT is it DIFFERENT
